2015

Knowledge adds to I.Q.'s

What do you look for in a company that specializes in agricultural aviation? Knowledge? Integrity? Quality? Service? It takes them all to get the job done, and we've got it all at Mid-Continent.

KNOWLEDGE - Our staff is fully trained to investigate your situation and recommend the most economical solution. We have a reference library containing up-to-date material on chemicals and new methods. We know how to save you money.

INTEGRITY - Mid-Continent Aircraft Corporation has over 65 years of combined experience in agricultural flying. Since the beginning, our firm has provided competent and reliable service to our customers, which is evidenced by years of repeat business. We present only the correct facts and figures.

QUALITY - Inventory of the finest new and previously owned aircraft and allied equipment. Mid-Continent offers each customer superior financing, insurance and cost management.

SERVICE - We have a complete FAA Certified Repair Station, parts and insurance divisions, and GPS sales and service. Our application division keeps us current on the latest trends and developments in the agricultural aviation industry.

The operator who consistently stays in the profit column relies on the high standards maintained by Mid-Continent.

And Now You Know

WANT OUT OF THE COLD? Aircraft Maintenance - A&P Mechanic wanted with PT6A and Sheet Metal experience. Electrical and Air Conditioning experience a plus. 401K Group, Excellent Benefits.
