JULY

2016

It takes more than insurance knowledge to provide proper aviation coverage in this very specialized field. Our insurance agency is just one part of a full service aviation center with over 58 years of experience. We have the knowledge and experience of the entire MCAC Team. This knowledge works for you as it keeps us in tune with the industry and gives us an insight that you seldom find in other agencies.

As Insurance Brokers we have access to all available markets. This enables us to provide you with the coverage you need at competitive rates and with service that is unmatched in the industry. Please complete and return the Quotation Request which you can download from our web site for a no obligation proposal on your coverage within 30 days of your expiration date. If you are short on time, call us and we will expedite your quote.

CUSTOM AIR
INCORPORATED
Single Arm Tailwheel

New single-arm tailwheel for 802 and 602. Replaces upper bushing in existing housing with a bearing/race combination to achieve a smoother/tighter ride and eliminate excessive vibration. Easy maintenance and increased protection with the addition of an inner and outer hubcap to protect wheel from chemical and fertilizer.

Independence Day

Independence Day, observed on July 4, commemorates the Birthday of the United States. As the anniversary of the adoption of the Declaration of Independence, it is a major American holiday and an important time for celebration.

Since 1776, The Declaration of Independence has since become our Nation's most cherished symbol of Liberty.

Happy Birthday America.
