Planegram

FREE
EXTENDED
WARRANTY

A no-charge deal that's been 50 years in the making

It's the 50th Anniversary of the legendary PT-6. And to celebrate, we've joined with Pratt & Whitney to create a free extended warranty program that's legendary in its own right.

Here's the scoop: Any new Thrush 510P purchased between December 20, 2013, and February 10, 2014, will be covered by an extended airframe warranty - good for two years on every part we make. Plus, you'll receive an extended engine warranty from Pratt & Whitney - good for five years or 2,500 hours. All at no cost to you.

Deals don't get much better - and it all starts today. Come celebrate with us, and take home a new Thrush 510P. And start building some legendary savings, right away.

Where innovation is nothing new.

This offer is limited to Thrush 510P aircraft with purchase agreements signed between 12/10/13 and 2/10/14. Additional details apply.

For a full summary of warranty coverages offered by Thrush and/or Pratt & Whitney, please call Mid-Continent Aircraft Corporation.
