2nd Annual Crop Dusters United 2014 Gaston's Resort, Lakeview, Ark.

**Nov14-16
By Dennis Davis**

The second annual Crop Dusters United meeting was held at Gaston's Resort on November 14th -16th. The weather was cold and windy this year and was not expected since this is the 1st winter weather we've had so far. Turnout was exceptional even though there was several cancellations due to the pending weather.

Friday we arrived at Noon, checked into our cabin and started to set up for the wine and cheese meet and greet. Around 1:30 we had people start to show up and this lasted until well after 4:00 pm. We did not have as many children show up as last year but had a cabin full of people, way more than we expected. It was a huge success and appreciated by all who attended. At 5:00pm was a rib dinner sponsored by Don and Jeremy Folden. They bought and cooked the ribs. It was originally set up to be held outside by the bonfire but Mr. Gaston graciously allowed us to hold it in the convention center to be out of the cold. Tables were full and the ribs and desert were delicious. There was a bonfire outside later but we didn't attend due to the cold.

Saturday morning started off at 10:00 am with the worship service. Terry and Jill Jordan lead the singing while Garry Joe Girdley and Carlin Lawrence lead the worship service. This was attended by most if not all the pilots and wives. This was very insightful and inspirational. It speaks volumes about the CDU commitment to help their fellow man.

The afternoon was free for people to go shopping in nearby Mountain Home, fishing, taking pictures, etc. Besides the fishing, good food and the bar, there is a very nice hiking trail at the entrance to Gaston's that has peacocks, turkeys, quail, and several exotic birds. We have spent a few hours both times walking around and enjoying the sights.

Saturday night was a rib and chicken dinner at the Convention center. Food was good and the high light was when Buddy Jewell and his family came in and ate with us. He is a really down to earth guy from around the Osceola area. He is a family friend of Tommy and Angie Benton. After eating they shut down the restaurant and bar and set up the band equipment where the band Deep South opened up for Buddy Jewell. The concert lasted until well after 10:00pm and then Deep South and some of the pilots joined in to keep playing until after midnight.

On another note the aircraft that were flown in were 4 Air tractors, a Turbine Ag-Cat and John Smith's helicopter. That is not counting the people planes like Pete Malone's "Rocket"

Sunday morning we ate breakfast, packed up and loaded out, arriving home after a 4 1/2 hour drive.
