Mid-Continent Shines in Ag Tour Stop

by Josh Rittenberry

On August 30, Mid-Continent was host to a political delegation of state and federal office holders. Jason Smith, United States Representative and current Chair of the powerful House Ways and Means Committee, made the rounds of Missouri's 8th Congressional District on a tour of local farms and agricultural businesses. The tour itself ran in conjunction with the University of Missouri Fisher Delta Research Extension and Education Center's Field Day 2023, an annual event that draws hundreds of spectators from the area. Field Day lends opportunities to farmers and individuals to take an in-

person look at the latest research conducted by the influential institution.

Accompanied by Smith were Missouri Secretary of State Jay Ashcroft and Missouri Treasurer Vivek Malek, who were given a tour of the Mid-Continent facility, where they learned more about the significance of the aviation sector of the agriculture industry. Before departing, Smith and Ashcroft, a pair of aviation enthusiasts, were treated to a spin in our company's Cessna 182.
