MIDCONTINENT 
Aircraft Corporation

Summary

*Safely perform aircraft preparation, painting, and detailing of aircraft under minimal supervision. Coordinate with supervision and Inspection to ensure compliance with internal and FAA paperwork, sign-offs and quality specifications.

*Follow standard operating procedures when using tools and equipment such as dual action sanders, stand/lift platforms and paint sprayers. Properly care for and maintain shop equipment and tools.

*Follow standard operating procedures when using sealants, paint strippers and corrosion-preventive chemicals and use protective equipment as required.

*Comply with safety rules and procedures and be alert for unsafe conditions. Address unsafe conditions before putting people or property at risk.

*Maintains a clean work environment tooling and equipment. Stripe, registration and logo layout and application from drawings and prints.

*Stores, handles, uses, and disposes of hazardous chemicals in accordance with Federal, State, and Local Environmental Protection Laws.

*Read, write and understand English (US) and Math.

Company Information

Mid-Continent first began serving aerial application to farmers and ranchers in the U.S. and Canada. Over the years with our professional service we were able to evolve into a multi-faceted corporation serving both general and agricultural aviation. Mid-Continent is involved in aircraft maintenance, aircraft sales, aviation insurance, aircraft parts, and of course we are still providing aerial application services to the growers, large paper companies along with various government agencies. Our seal of quality says it all, make Mid-Continent your one and only stop! For more information please go to www.midcont.net

From our family to you and yours

happy

OUR MISSION: TO KEEP YOU FLYING

Since 1949, Mid-Continent Aircraft has been the leader in Agricultural Aviation by providing a variety of services that exceed our customers' expectations. We are committed to the advancement of general and agricultural aviation technology.

As we move into each day, we will continue to grow with your business and provide the tools you need to be a success.

Mid-Continent Aircraft Corp. is located in Hayti, Missouri, 80 miles north of Memphis, Tennessee. Although Hayti is not the geographical center of our nation, Mid-Continent is the center for all ag aviation needs. With excellent daily truck freight lines, air freight, Federal Express, and UPS delivery capability, MID-CONTINENT has and will continue to cover the world.
