Full Service Aircraft Maintenance

With more than 150 years of experience, Mid-Continent Aircraft Corporation is a full-service aircraft maintenance and repair center. Conveniently located right in the center of the country, and with satellite facilities located throughout the South and Midwest, Mid-Continent is located within a manageable flight time from just about anywhere in the country.

Mid-Continent services and repairs Thrush, Air Tractor, Cessna, Ag Cat and Piper Aircraft. That maintenance catalog includes hot section and borescope inspections, annual and 100-hour inspections, fuel nozzle flow test inspections, Satloc service and

installations, spray system repairs, single point fuel system installations, Thrush wing spar replacement, brake and tire service, oil changes, Load Hawk installations and repair, winglet installations, sheet metal repair, paint and corrosion control, compressor wash, prop balancing, air-conditioning inspection and service, hopper rinse system installations, smoker system installations and hopper gauge system installations.

To schedule maintenance work or inspections, call 573-359-0500 or toll-free 800-325-0885.
